

Benefits of Credit Card Acceptance

INCREASE SALES

Industry research indicates that the ability to accept credit cards increases revenue by as much as 23 percent. Make your services or products more readily available to current and potential customers.

IMPROVE CASH FLOW

Instead of waiting for checks to clear, funds resulting from credit and debit card transactions are deposited directly into your bank account, often within 48 hours.

INCREASE AVERAGE TICKET SIZE

Giving your customers another way to pay for their purchases helps boost the average sale by about 20 percent.

IMPROVE PRODUCTIVITY

With card processing, the transaction is more efficient. You can focus on the other important aspects of your business.

LOWER COSTS

Accepting cards streamlines operational costs and cuts down on overhead by eliminating the need to send bills and manage account receivables.

BETTER CUSTOMER SERVICE

Consumers like the speed, flexibility and convenience of electronic payments. Superior customer service translates into customer loyalty.
